Trewin Family Have Miraculous Escape In Auto Accident

Mr. and Mrs. Fred Trewin and daughter Doris had a miraculous escape from serious injury last Thursday when a front wheel came off the car Mr. Trewin was driving, and the vehicle turned over three times before coming to rest.

The accident happened just east of Richdale while the family were en route home from Drumheller. Mrs. Trewin received painful bruises about her face, arms and legs. Doris received cuts and scratches about the face and a cut on one leg. Mr. Trewin got off with the lightest injuries receiving only a slight cut on head and a few minor scratches. A party passing on the highway rendered first aid and a truck driver who witnessed the accident assisted in getting the car into operation again. While the body of the car was badly smashed and there was much broken glass, Mr. Trewin was able to continue his journey and bring his family home.

E. MacArthur Wins Flag Contest Victoria Day

Elmer MacArthur, who swings a nifty iron, won the 50-stroke flag contest on the local golfcourse Victoria Day. V. E. French was a close contender and finished second.

THE WEATHER

The weather for the past week has been hot with maximum temperatures in the high 90's. Rain is needed generally throughout the district.

Grasshoppers and Drought Take Toll

Grasshoppers and the hot weather of the last week have taken severe toll, particularly of stubble crops in the outlying parts of the district. Summerfallow is still holding up but general rains are needed.

About Town and Country

Mr. Robert Nisbet made a hole-in-one on the golf course a few evenings ago. Driving from the first tee his ball travelled straight for the green and when he went to look for the ball he found it reposing "sweetly" in the cup. Oh, man!

Mr. James A. Bunyan who has been in somewhat poor health for some months and recently has been in the Belcher Military Hospital, Calgary, returned to Oyen last Thursday.

Mr. Ray C. Anderson, of Mound, Alta., is a district visitor this week. He is returning home tomorrow.

Mrs. R. P. Hall of Benton received word last week of the death of her brother-in-law, Mr. Clifford Hall, who passed away at his home near Belleville, May 23, 1934, after a brief illness.

Mr. and Mrs. Thomas Lees returned to Oyen last Wednesday after spending a few days in the city. Miss Bella Lees, who accompanied her parents home, left the following day for Oban, Sask.

Mr. M. G. Whitlock was a week-end visitor in Saskatoon.

Mr. Joseph Cooper, who recently finished his course at the University of Alberta with outstanding honors, returned to Oyen this week.

Travellers on the highway during Tuesday night's wind storm report difficulty in seeing the road on account of the flying dust.

Mr. Charles H. Harris returned home this morning from Saskatchewan.

A new awning or canopy is being built this week over the sidewalk in front of MacArthur's Red and White store.

Visitors to Oyen are highly complimentary in their remarks about the condition of our streets and lanes and the general appearance of the village.

The Oyen ball team visited Chinook this evening and gave a good account of themselves defeating the Chinook team 9-2. The boys are doing well and will appreciate your support.

Quite a number of Oyen residents attended the Victoria Day sports at Alsask. The girls' soft ball team were fortunate to draw a bye, and won second money when they lost to Acadia Valley 5-2 in the final game. The girls play a nice game and with more practice will be a hard aggregation to beat.

Early Closing. During the months of June and July stores close on Wednesdays at 1 o'clock in the afternoon.

KEEPING UP QUALITY

The reputation of Canadian wheat on the markets of the world is due to the efforts western farmers have made to keep up the quality of their production.

And the reputation of United Grain Growers is similarly based on unremitting efforts to keep up the quality of its service to farmers in handling their grain and furnishing them with farm supplies.
